Lighting

Tailored creations

Highbay

PM Series

Large, high output pendants
tailored to your project needs

Pendants PM Series

Gorgeous new finishes

Intricate new finishes add a tailored, customizable, design to your standard pendants

Digital manufacturing techniques create new surface textures resembling woven, or deeply etched finish styles

Tailored to your preference

Custom designs for demanding project needs

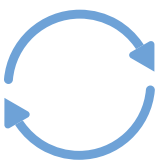

With our flexible digital production system, our fixtures can be modified in a variety of ways. Contact us to discuss your specific needs.

Fast lead times

Custom options delivered fast

We can supply a wide range of customization options without long lead times. Our revolutionary new manufacturing technology allows us to deliver unprecedented speed, flexibility and economy.

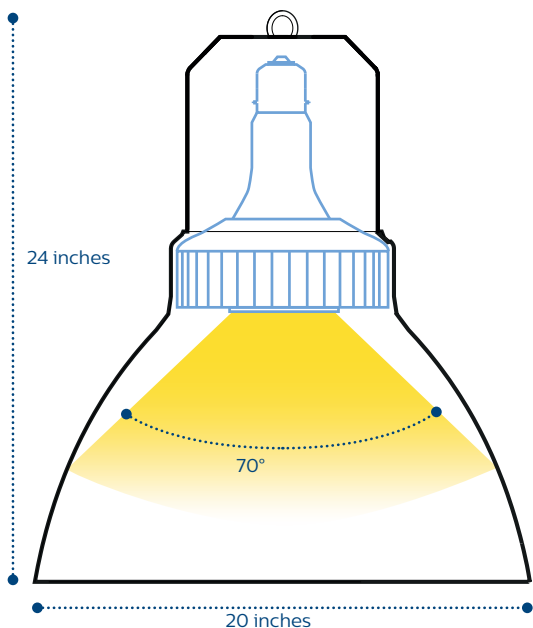

Circular economy ready

Fixtures inherently designed for low environmental impact

We optimize the design of our fixtures expressly to reduce our product's environmental impact: Lightweight materials reduce our carbon footprint during production and reduce the fixture's weight to minimize our transportation footprint.

Go big, your way

Select from a range shapes, styles and appearances to customize your exact fixture. Lightweight yet durable polycarbonate construction greatly reduces weight and eases handling during installation.

Big output, tiny input

Producing 24,000 lumens with only 165 watts this fixture also produces dramatic savings in operation costs

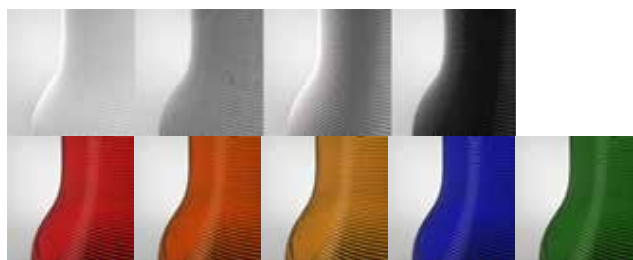

Future proof

An easy upgrade path in the future via its E39 socket with Philips TrueForce LED light engine

Tailored options

Contact us for a variety of color choices for the top housing and speciality configurations. Add our unique surface textures for a distinctive appearance.

Create a tailored high bay solution for your specific project needs.
